

Dear Parents,

Your child may:

Earn two hours of Christian Service for the upcoming year of Religious Education.

Continue learning about our faith with our Parish Family of St. Patrick.

Fellowship with members of our Church Community.

On Sunday May 7th at 6 PM, St. Patrick's will present a unique opportunity for our parishioners: a Teaching Mass with Fr. Matt Williams from the Office of Youth and Young Adults.

Many parents have come to us asking for Christian Service ideas for their children. If your child still needs to complete service hours for the 2016/17 year, this is the last opportunity that we will offer. If you have fulfilled your obligation but would like to get a jump start on the 2017/18 year, we will allow you to apply hours for participation in our Teaching Mass to next year. To obtain service hours, please print and complete the attached questionnaire. You may leave it in Our Lady Hall during the Q&A with Fr. Matt, following Mass.

Best regards,

Anne Dooley, Liturgy Coordinator for Religious Education
